Expectations

It is important that the atmosphere in our studio enables students to concentrate. Keeping distractions to a minimum is important. Students should be respectful of other student' class experience. For classes of younger students, your student should be able to concentrate long enough to engage in small group exercises and follow directions. If you have any questions about this, please speak to Courtney. If you would like to request one-on-one instruction, please email courtneymillerbellairs@gmail.com

Please notify the instructor of any allergy concerns or special needs via your registration form.

In the case of illness, students should not attend classes until fully recovered.

Please keep in mind that we are a working studio and gallery so there will be other projects and artwork happening in the space. The entrance to our space is from Bridle Creek Trail. There are 3 steps up to the entrance. Breaks and/or snack breaks can be taken during class time as needed. Please note, choose carefully as some students and staff may have allergies.

To ensure a productive class time, parents and siblings are not permitted to stay in the studio while instruction is taking place. No cell phones are allowed during class time. If students wish, music will be provided. If we need to access the internet for research, the instructor will advise. We encourage you to be present at each scheduled class. Makeup classes will be difficult to schedule during the summer months.
